25X1A [REDACTED]. The units were probably of one branch of service and went to Jüterbog for special training. The same may be true with regard to the component of the 207th Wtz Rifle Div mentioned in paragraph 2.

25X1B (4) [REDACTED], the column belongs to the 6th Gds Tank Div and may have left Camp Werder-Larkendorf for a command-post exercise or a tactical field problem, as is indicated by the variety of vehicles, including radio trucks; the equipment, including chairs; and the many officers. In the order in which they are listed, the vehicles belong to small components of the unidentified tank unit from the Taunitzien Kaserne in Wittenberg, the 385th Gds Arty Regt, the 145th (?) Gds Sig Bn, the 120th (?) Gds Engr Bn and the 78th Gds Hd Tank SP Regt.
